Holderness Town Warrant 1991

The State of New Hampshire

To the inhabitants of the Town of Holderness in the County of Grafton and State of New Hampshire qualified to vote in Town affairs:

You are hereby notified to meet at the Town House on Tuesday the tenth of March next, at ten o'clock in the forenoon, at which time the polls shall be opened and shall not close earlier than seven o'clock in the afternoon to act upon the following subjects, the third and subsequent Articles to be acted upon commencing at seven o'clock in the evening of the following day, the eleventh day of March, in the auditorium of the **Holderness Central School.**

ARTICLE 1: To choose all Town Officers by official ballot.

ARTICLE 2: To see if the Town will vote by official ballot on the amendments to the existing Zoning Ordinance as proposed.

ARTICLE 3: To accept the report of all Town Officers and Committees.

ARTICLE 4: Are you in favor of changing the term of the Tax Collector from one year to three years, beginning with the term of the Tax Collector to be elected at next year's regular town meeting? By petition. Per RSA 41:2-A. Requires ballot vote.

ARTICLE 5: Are you in favor of changing the term of the Town Clerk, from one year to three years, beginning with the term of the town clerk to be elected at next year's regular town meeting? By petition. Per RSA 41:16-A. Requires ballot vote.

ARTICLE 6: To see if the Town will vote to raise and appropriate the sum of three hundred and sixty dollars ($360.00) to meet the requirements of RSA 442-A in reference to the impounding of dogs.

ARTICLE 7: To see if the Town will vote to raise and appropriate the sum of two thousand dollars ($2,000.00) for the support of hospitals, (SSMH $2,000.00).

ARTICLE 8: To see if the Town will vote to adopt the provisions of the most current National Fire Protection Association, Life Safety Code 101, as amended, per RSA 153:14.

ARTICLE 9: To see if the Town will vote to raise and appropriate the sum of one thousand six hundred thirty-three dollars ($1,633.00) to assist in maintaining the services of the Grafton County Senior Citizen's Council.

ARTICLE 10: To see if the Town will vote to raise and appropriate the sum of six hundred dollars ($600.00) to assist in maintaining the services of the Task Force Against Domestic and Sexual Violence.

ARTICLE 11: To see if the Town will vote to raise and appropriate the sum of six hundred eighty-five dollars ($685.00) to assist in maintaining the services of the Community Action Program.

ARTICLE 12: To see if the Town will vote to raise and appropriate a sum of one hundred twenty-five thousand five hundred dollars ($125,500.00) to be placed in Capital Reserve and invested until needed for purchasing the following:

Town Facilities & Improvements	$ 30,000
Highway Truck	10,000
Grader/Loader	20,000
Police Cruiser	8.500
Fire Truck	30,000
Road Reconstruction	20,000
Town Hall	5,000
Conservation Commission	
Land Acquisition/Easement	2,000

ARTICLE 13: To see if the Town will vote to raise and appropriate the sum of two hundred fifty dollars ($250.00) to assist the local Red Cross Chapter.

ARTICLE 14: To see if the Town will vote to raise and appropriate the sum of one thousand dollars ($1,000.00) to assist in maintaining the services of the Pemi Baker Youth & Family Services Council.

ARTICLE 15: To see if the Town will vote to raise and appropriate the sum of four hundred twenty-seven dollars ($427.00) to assist in maintaining the services of the Lakes Region Day Care Center.

ARTICLE 16: To see if the Town will vote to raise and appropriate the sum of three hundred dollars ($300.00) to assist in maintaining the services for the transportation of the developmentally disabled by the Lake Region Community Services Council.

ARTICLE 17: To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars ($15,000.00) for the purchase of a highway truck and authorize the withdrawal of twenty-five thousand dollars ($25,000.00) and interest from the Capital Reserve Fund created for that purpose.

ARTICLE 18: To see if the Town will vote to raise and appropriate the sum of seven thousand one hundred eighty-three dollars ($7,183.00) to assist in maintaining

the services of the Pemi Baker Home Health Agency.

ARTICLE 19: To see if the Town will vote to authorize the Selectmen to act as agents for the following Capital Reserve Funds: Town Facilities & Improvements, Highway Truck, Grader/Loader, Police Cruiser, Fire Truck, Road Reconstruction, Town Hall, Conservation Commission.

ARTICLE 20: To see if the Town will vote to authorize the Selectmen to borrow in anticipation of taxes.

ARTICLE 21: To see if the Municipality will vote to raise and appropriate the sum of $1,102,668. which represents the posted operating budget. Said sum is exclusive of all special articles addressed.

ARTICLE 22: To see if the Town will authorize the Selectmen to administer, lease, sell, convey, or otherwise dispose of any real estate acquired by the Town by any Tax Collector's Deed in accordance with the provisions of RSA 80:42.

ARTICLE 23: To see if the Town will authorize the Selectmen to apply for, accept, and/or expend, without further action by the Town Meeting, money, land and/or interest in land from the state, federal or other government unit or a private source which becomes available during the fiscal year in accordance with procedures set forth in RSA 31:95-b.

ARTICLE 24: To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devices made to the Town in trust for any public purpose, as permitted by RSA 31:19.

ARTICLE 25: To transact any other business that may legally come before the meeting.

Given under our hands this **18th** day of February in the year of our Lord nineteen hundred and ninety-two.

Susan C. Webster
Willis H. Holland
Alden Van Sickle
Holderness Board of Selectmen

We, the undersigned Selectmen of the Town of Holderness, New Hampshire do hereby certify that on the 21st day of February, 1992 we posted an attested copy of the foregoing Warrant at the Holderness Town House, the Holderness Central School, the place of the meeting, and like copy of said Warrant at the Holderness Post Office, a public place in said Town of Holderness.

Dated this 18th day of February, 1992.

Susan C. Webster
Willis H. Holland

Town of Holderness, N.H.
Town Meeting - March 12, 13, 1991
Minutes

At the annual town meeting of the Town of Holderness held on March 12, and March 13, 1991, the following business was transacted.

At 10:00 AM on Tuesday, March 12, 1991, at the Holderness Town Hall, the Moderator, Ross V. Deachman convened the meeting and started the reading of the Warrant. After reading Articles 1 and 2, the Moderator declared the polls open. Shortly after 7:00 PM the polls were closed, ballots counted, results announced and winners declared by the Moderator.

At 7:00 PM on Wednesday, March 13, 1991 at Holderness Central School the meeting resumed. Moderator Ross V. Deachman opened the meeting by having the Swift Water Girl Scout Troop #687 lead the meeting in a Pledge of Allegiance to the Flag. A moment of silence was also requested for those residents who passed away during the year of 1990. Also announced by the Moderator was the passing away of Earl Jenkins Sr. who was recognized for all his outstanding qualities. The flags will be flown at half mast from March 13th through the 17 in respect for Mr. Earl Jenkins Sr. A motion was made and seconded by Earl Hansen to have the Articles read one a time and voice voted in the affirmative.

ARTICLE 3: relative to accepting the report of all town officers and committees. Mr. Earl Hansen moved and Olive Staples seconded. The Moderator pointed out at that time, that in the minutes of the previous years meeting it was stated that a motion was made by the Moderator. The Moderator made it clear that he cannot make a motion, although he can strongly suggest another to. The Moderator asked that the minutes from the previous year reflect this change. The motion was passed on article 3 by voice vote.

ARTICLE 4: relative to authorizing the Selectmen to enter into a long-term lease/purchase agreement with Lehigh Municipal Leasing, Inc. for the purpose of leasing a compactor for the transfer station. The cost of the lease is included in the Solid Waste Disposal Operating Budget. (⅔ ballot vote required) Mr. Earl Hansen moved, and Mrs. Olive Staple seconded the motion. Selectmen Susan Webster explained the article to the meeting along with Jack Saunders a member of the White Oak Solid Waste District Committee. Selectmen Susan Webster and Mr. Jack Saunders also explained the recycling that was to take place. A question was raised by Malcom Taylor as to why the Article needed a ⅔ ballot vote. The Moderator informed Mr. Taylor that because the lease is a 5 year contract he assumed that we were binding future town meetings. After some discussion the Moderator declared the polls open at 7:15pm, at 7:40 votes had been counted and the Moderator announced that the article had passed with a 131 yes vote and a 2 no vote.

ARTICLE 5: relative to whether the Town will vote to deposit 50% of the revenues collected pursuant to RSA 79-A (the Land Use Change Tax) in the Conservation Fund in accordance with RSA 36-A:5 III as authorized by RSA 79-A:25II. By petition. Mr. Larry T. Spencer moved the article and Mr. Richardson Blair seconded. Mr. Larry T. Spencer spoke in favor of the Article. Mr. Eric West expressed his apprehensions. Mrs. Olive Staples asked the Selectmen what their feelings were on this article, and Selectman Susan Webster addressed the meeting by stating that the 10% Current Use tax was set up for losses due to the decrease in taxes, furthermore Holderness has done very well with their conservation efforts in the past without this article. Syd Howe and Kevin Frank rose and spoke in favor of the article. The Moderator called for a hand vote and the article was defeated, 153 yes and 3 no.

ARTICLE 6: relative to adopting the provisions of RSA72:28, V and VI for an optional Veterans Exemption and an expanded qualifying war service for veterans seeking the exemption. The optional veterans' exemption is $100.00 rather than $50.00. By petition. Mr. Richardson Blair moved, and Mr. Malcom Taylor seconded. Mrs. Olive Staples felt that the exemption of $50.00 was in place for a long time and now is the time to change it to $100.00. Mr. George Levin wanted to know how much in dollars would this impact the town. He was informed by the Selectmen that there be an increase of $14,000.00. The vote was taken by voice vote and was passed.

ARTICLE 7: relative to raising and appropriating the sum of three hundred dollars ($300.00) to meet the requirements of RSA 442-A in reference to the impounding of dogs. This article was moved by Mr. Malcolm Taylor and seconded by Mrs. Olive Staples. The article passed by voice vote.

ARTICLE 8: relative to raising and appropriating the sum of two thousand dollars ($2,000.00) for the support of hospitals, (SSMH $2,000.00). Mrs. Peg Winton moved the article and Mrs. Olive Staples seconded. Malcom Taylor wanted to know why we were not including hospitals that we have included in the past. Selectman Alden Van Sickle responded by stating that the other hospitals did not make a request. The voice vote was taken and the article passed.

ARTICLE 9: relative to raising and appropriating the sum of one thousand five hundred seventy-one dollars ($1,571.00) to assist in maintaining the services of the Grafton County Senior Citizens' Council. Mrs. Olive Staples moved the article and Mrs. Margaret Winton seconded. The article was passed in the affirmative by voice vote.

ARTICLE 10: relative to raising and appropriating the sum of five hundred dollars ($500.00) to assist in maintaining the services of the Task Force Against Domestic and Sexual Violence. Mrs. Ellie Wolf moved and Mrs. Susan Blenkhorn seconded. The article passed by voice vote.

ARTICLE 11: relative to raising and appropriating the sum of six hundred fifty dollars ($650.00) to assist in maintaining the services of the Community Action Program. The article was moved by Mrs. Margaret Winton and seconded by Mr. Malcom

Taylor. The article passed by voice vote.

ARTICLE 12: relative to raising and appropriating the sum of seventy-five thousand dollars to be placed in Capital Reserve and invested until needed for the purchasing of the following:

Town Facilities & Improvements	$30,000.00
Highway Truck	7,500.00
Police Cruiser	7,500.00
Fire Equipment	30,000.00
Total	$75,000.00

Mr. Earl Hansen moved the article and Richard Currier seconded. Mrs. Olive Staples asked to amend the article by reducing the amount of $30,000.00 to $15,000.00 out of the Fire Department in order to use this money for the school computers. Mr. Steven Greene also agreed with this and stated that the computers were needed more at this time. Mr. Harry Decker asked to have the Fire Chief Mr. Richard Mardin speak and explain what the $30,000.00 was to be used for. Mr. Richard Mardin went on to explain that this money will be used to replace an engine. Ms. Sallie Fellows wanted to know the cost of the engine and was informed by Mr. Richard Mardin that an approximate cost of at least $140,000.00 Selectman Willis Holland asked to speak and informed the town that this system was set up years ago in order to have funds available at the time of need for an engine. Mr. George Levin agreed with this type of system. At this time the Moderator asked for a vote on the amendment and after a voice vote the amendment was defeated. After more discussion the vote on the article was taken and passed by voice vote.

ARTICLE 13: relative to raising and appropriating the sum of two hundred seventy-two ($272.00) to assist in maintaining the services of the Lakes Region Day Care Center. Mrs. Olive Staples moved the article and Mrs. Margaret Winton seconded. Mrs. Linda Grey wanted to know why the town was raising money for this article and was informed by the Selectmen that a request was made, and that we do participate with the program by having two residents enrolled. The vote was taken by voice vote and passed.

ARTICLE 14: relative to raising and appropriating the sum of three hundred dollars ($300.00) to assist in maintaining the services for the transportation of the developmentally disabled by the Lakes Region Community Services Council. Mr. Malcom Taylor moved the article and Mrs. Olive Staples seconded. The vote was taken and passed by voice vote.

ARTICLE 15: relative to raising and appropriating the sum of fifteen thousand five hundred dollars for the purchase of a police cruiser and authorize the withdrawal of ten thousand dollars ($10,000.00) and interest from the Capital Reserve Fund created for that purpose. Selectman Willis Holland moved the article and Mrs. Olive Staples seconded. Mr. Joseph Hayes wanted to know if the old cruiser would be traded in.

The Moderator asked the town if Chief Scott Weden could be allowed to speak due to the fact that he was not a resident of Holderness, and permission was given. Chief Scott Weden went on to say that the cruiser would be put out for bid and revenues would be put back into the general fund. Mr. Malcom Taylor asked Chief Weden what kind of vehicle was being purchased. Chief Weden stated that the new cruiser would be a Crown Victoria. The vote was taken by voice vote and passed.

ARTICLE 16: relative to raising and appropriating the sum of nine thousand one hundred dollars ($9,100.00) for the purchase of fire equipment. Ms. Eleanor Mardin moved the article and Mr. Earl Hansen seconded. Mrs. Olive Staples asked what this money was for. The Moderator asked Fire Chief Richard Mardin to speak and he informed the meeting that a difibulator, porta power, and chain saw was to be purchased. Fire Chief Richard Mardin also went on to explain the need for the equipment. Mrs. Margaret Winton wanted to know if there was funding for these items. Ms. Eleanor Mardin explained that the particular funding Mrs. Margaret Winton was referring to was for rescue equipment only. The vote was taken by voice vote and passed.

ARTICLE 17: relative to authorizing the Selectmen to act as agents for the following Capital Reserve Funds: Fire Truck, Police Cruiser, Highway Truck, and Town Facilities and Improvements. Mr. Earl Hansen moved and Mr. Malcom Taylor seconded. The vote was taken and was passed by voice vote.

ARTICLE 18: relative to see what sum of money the Town will vote to raise and appropriate and if the Town will make any alteration in the amount of money required for the support of the Town as recommended by the Budget Committee in its report. Ms. Sandy Heath moved the article and was seconded by Mr. Malcom Taylor. After some discussion there was a request to have the article amended. The Moderator suggested to have this amendment read less those amounts under Articles 7-16 which have been raised by separate articles. The amount of money being raised is one million eighty seven thousand one hundred ninety eight dollars ($1,087,198.00). A vote was taken by voice on the amendment and passed. The Moderator called for a vote on the amended article and this was passed by voice vote.

ARTICLE 19: relative to authorizing the Selectmen to borrow in anticipation of taxes. Mr. Earl Hansen moved the article and Mrs. Olive Staples seconded. The article passed by voice vote.

ARTICLE 20: relative to authorizing the Selectmen to administer, lease, sell, convey, or otherwise dispose of any real estate acquired by the Town by any Tax Collector's Deed in accordance with the provisions of RSA 80:42. Mr. Earl Hansen moved the article and Mr. Malcom Taylor seconded. The vote was taken by voice and passed.

ARTICLE 21: relative to authorizing the Selectmen to apply for, accept, and/or expend without further action by the town meeting, money, land and/or interests in land from the state, federal or other government unit or a private source which becomes available during the fiscal year in accordance with procedures set forth in RSA 31:95-b.

Mrs. Olive Staples moved the article and Mrs. Frances Taylor seconded. The vote was taken and passed by voice vote.

ARTICLE 22: relative to supporting the Selectmen's decision to make recycling mandatory. Mrs. Debbie Hopper moved the article and Mrs. Deborah Holland seconded. Mr. Samuel Goodwin wanted to know how this was to be enforced. Selectman Susan Webster responded by saying that recycling will only be as good as the townspeople make it. There were many questions on recycling and Selectman Susan Webster, and Mr. Jack Saunders informed the meeting as to what was being recycled, the different markets that were available, and what was needed on behalf of the people to make it work. After some discussion a vote was taken by voice and this article passed.

ARTICLE 23: relative to authorizing the Board of Selectmen to accept on behalf of the Town gift, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. Mr. Earl Hansen moved the article and Mr. Malcom Taylor seconded. The vote was taken by voice and passed.

ARTICLE 24: relative to transacting any other business that may legally come before the meeting. Mrs. Margaret Winton moved the article and Mr. Malcom Taylor seconded. Mrs. Margaret Winton informed the town when the services were and where for Mr. Earl Jenkins Sr. The Moderator reminded the meeting that the Holderness School District Meeting would be held Tuesday, March 19th at the school at 7:00 P.M. Selectman Susan Webster also wanted to let the meeting know that there were openings on many of the Boards in Town and asked for volunteers. The motion carried in the affirmative and the meeting was adjourned at 9:02 P.M.

Respectfully submitted,
Claudia Goodwin
Town Clerk

1991 Summary of Inventory Valuation

Land		
Assessed value of Current Use land	$ 367,799	
Assessed value of all land	190,068,860

Audit Statement

February 7, 1992

Board of Selectmen
Town of Holderness, New Hampshire

We have audited the financial statements of the Town of Holderness, New Hampshire for the year ended December 31, 1991, and have issued our report thereon dated February 7, 1992.

In planning and performing our audit of the financial statements of the Town of Holderness, New Hampshire for the year ended December 31, 1991, we considered its internal control structure in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

The management of the Town of Holderness, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, we have classified the significant internal control structure policies and procedures in the following categories.

Budget
Cash and investments
Revenue and receivables
Expenditures for goods and services
and accounts payable
Payroll and related liabilities
Leases and lease expenditures

For all of the control categories listed above, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material to the financial statement may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Our consideration of the internal control structure would not necessarily disclose all conditions that are considered to be material weaknesses as defined above. However, our study and evaluation disclosed no condition that we believed constitutes a material weakness.

This report is intended for the information of Management, and the Board of Selectmen. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Vachon, Clukay & Co., PC

1991 Report of the Selectmen

1991 saw many accomplishments and changes to Holderness. The goal of improved communications and cooperation between departments has been very successful.

Chief Weden has done an excellent job running the Police Department, especially with the increased caseload. We welcome Officer Shawn Magoon and sorry to see Officers George Faren and Gregg Bavis leave.

Fire Chief Richard Mardin and the Fire Department are due high marks for keeping up with the times. Courses are taken in all areas to make the newest techniques available to help and protect our townspeople. Congratulations on a smoothly run department.

Lyle Thompson, Road Agent, and the highway crew has done an excellent job with the roads this year, especially with a tightened budget. We welcomed Stuart Sherburn to join Chris Randall on our highway crew. They take care of 30.6 miles of town road.

Heartfelt thanks to Sandy Heath, our Town Administrator, and Bev Gillespy our Administrative Secretary. Without their support and tireless efforts our job would have been difficult at best.

Claudia Goodwin and Ellen King have complemented each other in the Town Clerk/Tax Collector positions and are due many thanks for their superior job.

We also want to take this opportunity to thank everyone that made donations in response to our wish list. Your donations are appreciated and help to save tax dollars.

Listed below are some of the accomplishments of the year:

- A section of Coxboro Road was reconstructed.
- Parking at the Science Center worked well again this past year. Many thanks to the Science Center and Squam Lakes Association.
- Relocation of the entrance of Perkins Lane on to Route 3.
- The positions of Zoning Officer and Health Officer were combined under the new title of Compliance Officer. Richard Mardin has filled that position. He has successfully implemented procedures and introduced regular office hours.
- After much legal expense two major cases were resolved; New Hampshire Superior/Supreme Court decision was granted in the Town's favor on a major zoning issue; and a U.S. Federal Civil Court case naming the Town and Selectmen personally was dismissed.
- Selectman Holland participated on the Watershed Study and Selectmen Holland and Van Sickle participated on the Five Town Lake Access Study leading to an opening of communication between the towns.
- Selectman Webster in addition to serving as Chairman to the White Oaks Solid Waste District represented the Town at the Pemi River Wild and Scenic Studies, and represented the Town on the Squam Lakes Task Force.
- Entered into an agreement for use of five acres of the Charles Howe Gravel Pit on Route 113 and relocated the sand pile to that area.

- We are still working through the revaluation abatement process, but now at the state level.

Running the Town like a multi-million dollar business, which it is, yet keeping the small town atmosphere and values is extremely difficult.

1991 semi annual billing helped cash flow and reduced interest on borrowing by $99,216. Response for tax payment has been excellent in these hard economic times, 85% of our tax dollars have been received.

We wanted to meet all obligations, tax anticipation note due, school expenditures, and country tax without additional borrowing. At the end of November we issued a directive to all departments that only emergency spending would be allowed after December 1st until the new year. All departments responded, and acted conscientiously and as a result we had $101,913 unexpended funds from the operating budget of the Town. Combining the interest and operating surplus, the Town had $201,129 at the end of the year. We want to thank the department heads for working with us to manage spending.

Our goal this year is a level funded budget, yet maintain existing programs and adding to the capital reserve items for future purchase of a grader, future work on the Town Hall, reconstructing roads, and money for the Conservation Commission's acquisition of land/easements.

The Selectmen are asked repeatedly where "they" are spending all the tax dollars. We spend only the amount of money voters raise and appropriate at our Town and School Meetings.

The following shows how the tax rate is computed:

Tax Rate Computation 1991

Net Town Appropriation	$ 844,918
Pemi Baker School	+867,028
Holderness Central School	+1,838,118
County Tax	+316,635
Total Town, School, County	=$ 3,866,699
Deduct Business Profits Tax	−25,876
Add Veterans Exemptions	+16,200
Add Overlay (Abatements)	+202,123
Property taxes to be raised	$4,059,146

Tax Assessment ÷ Town valuation = Tax Rate
$4,059,146 $294,140,997 .0138 ($13.80)

.0138 × 1,000 = $13.80 per $1,000

We look forward to working with the departments and the schools to meet the challenges of 1992.

Respectfully Submitted,
Board of Selectmen

Susan Webster,Chairman
Willis Holland
Alden Van Sickle

White Oak Solid Waste Committee
1991 Report

In January we began the new year with a new hauler, American Waste. Along with a lower cost for hauling nonrecyclable waste, they helped us set up the recycling program.

Our attendants Doug Sirois and Harold Shaw, and Lyle Thompson as overseer of the Transfer Station have done an outstanding job in making this new program work.

We have seen the Transfer Station budget go from $117,000 in the '90 budget to $110,000 in the '92 budget.

We need your help this year with even better participation... cleaner glass, more aluminum cans, and newspapers will help offset the cost of running the transfer station. Keep up the good work, and thanks to American Waste for a great first year.

Respectfully submitted,

Susan Webster, Chairman

Overseer of Welfare
1991 Report

The Town helped 25 families with rent, food, and heating, some for several months and some only once. No money was paid back to the town.

Leader Andy Hancock and his Wolf Den from Cub Scout Pack 70 donated cut and split firewood which was distributed to those in need. On behalf of the townspeople I would like to thank them and the many civic groups and private citizens that played an enormous part in helping their neighbors this year.

Respectfully submitted,

Laura Heath
Overseer of Welfare

Report of the Grafton County Senior Citizens Council, Inc. Statistics for the Town of Holderness

October 1, 1990 to September 30, 1991

During this fiscal year, GCSCC served 41 Holderness residents (out of 250 residents over 60, 1990 Census).

Services	Type of Service	Units of Service		Unit Cost (1)		Total Cost of Service
Congregate/Home Delivered	Meals	2,482	×	$4.22	=	$10,474.00
Transportation	Trips	414	×	$5.49	=	$ 2,273.00
Adult Day Service	Hours	-0-	×	$4.43	=	$ -0-
Social Services	Half-hours	2	×	$8.62	=	$ 17.00

Number of Holderness volunteers: 16 Number of Volunteer Hours: 963

GCSCC cost to provide services for Holderness residents only	$12,764.00
Request for Senior Services for 1991	1,571.00
Received from Town of Holderness for 1991	1,571.00
Request for Senior Services for 1992	1,663.00

NOTES:

1. Unit cost from Audit Report for October 1, 1990 to September 30, 1991.
2. Services were funded by: Federal and State Programs 48%, Municipalities, Grants & Contracts, County and United Way 15%, Contributions 13%, In-Kind donations 20%, Other 2%, Friends of GCSCC 2%.

1991 Report of the Holderness Police Department

During the past year, with the help of the Selectmen and the Town Administrator, the Holderness Police Department has undergone some reorganization and clarification of its command structure. Sergeant Bart Merrill, in addition to continuing to be second in command, is now in charge of all criminal investigation. Officer Ty Gagne has been promoted to Corporal. He is third in command, and is now the Officer in Charge of Patrol. Corporal Gagne continues to do the D.A.R.E. program at Holderness Central School. This program appears to have been very successful and well received. We have every expectation that it will bring positive changes in attitudes of our young people towards themselves as well as toward drugs.

There were some Police Department personnel changes during 1991. A fifth full time officer was added to the Department in June. Officer George Faran and Officer Greg Bavis both left law enforcement to pursue careers in business. Both were conscientious officers who did a fine job for the Town of Holderness, and they will be missed. With the departure of these two officers, Shawn Magoon became full time at the end of November. Officer Magoon is fully certified and had experience working in Waterville Valley before coming to Holderness. Howard Beaudry joined Gary Mack and David Mack as a part time officer in August. Officer Beaudry is also employed by the Ashland Police Department, where he heads up the Junvenile Division. We are pleased to have with us an officer with his experience and knowledge of the area.

Our activity this year is up over 10%. The increase is a result of community originated calls, as opposed to officer originated incidents. The difficult economic situation seems to have occasioned an increase in domestic disturbances and in thefts. A summary of activity appears as a part of this report.

Holderness officers continue to remain current in law enforcement, and have attended a variety of training sessions and schools dealing with topics such as drugs, child abuse, crime scene, photography, DWI awareness, sexual assault. Our secretary attended a training session conducted by the FBI on Uniform Crime Reporting.

We wish to thank the Townspeople, Selectmen and Town Administrator for their support throughout this year of change and economic uncertainty. It is this type of cooperation that enables us to continue to provide professional police service for the Town of Holderness.

Respectfully submitted,

N. Scott Weden
Chief of Police

Total number of calls for 1989 = 2,629

Fifty-Ninth Annual Report of the Holderness Fire Department

1991 was another busy year for the Holderness Fire Department. Our 154 calls were again dominated by 64 medical emergencies. Mutual Aid runs and chimney fires were down, but most other categories remained about the same. One category we will try to greatly reduce in 1992 is false alarms. (We have averaged 11 per year over the last 2 years.) While the Fire Department strongly encourages the use of smoke detectors or other alarms in all occupied buildings, sometimes malfunctioning "dial alarm" systems result in an unusual number of false alarms at a particular residence or business. Rather than have all the taxpayers cover the costs of these false alarms, we are working with the Selectmen on an ordinance which would effectively transfer the responsibility and costs of the false alarms to the owners of the faulty alarm equipment.

This year's Town Warrant contains an Article of great interest to the Holderness Fire Department—local adoption of the NFPA Life Safety 101 Codes. These Codes (which have already been adopted by the State of New Hampshire) establish minimum safety standards for smoke detectors, emergency lighting, means of egress, etc.. The emphasis is on places of assembly, rental housing units, and commercial buildings. At present the Fire Chief has no authority to inspect buildings or to enforce State Law even when gross violations have been noticed during the course of an emergency response to a property. Now only the State Fire Marshall's Office has that authority and the simple fact is that the Fire Marshall's Office is so understaffed that only the most life-threatening violations or fires involving deaths get their attention. Adoption of the Life Safety 101 Codes in Holderness would give your Fire Chief the authority to enforce existing State Law—but more importantly it would give him the ability to correct dangerous situations without delay.

The biggest change in the Town's emergency medical equipment is the addition of a cardiac defibrillator carried on 12U-1. Eight EMT's in the Fire Department are now trained to use this device which is so critical to on-scene treatment of victims of cardiac arrest.

We were all saddened by the passing in August of 23-year-old firefighter Dan Currier. Dan was a member of our Department since 1989 and we were all touched by his spirited struggle against his illness. His friendship and unique approach to life will be greatly missed. The Fire Department has received many generous contributions to the "Dan Currier Memorial Fund." His memory will live on with the medical equipment we purchase in his name. One positive development which stemmed from Dan's illness was the addition of a chaplain to our membership. On the basis of her help to the Currier family during 1991 and her 12 years of experience as a critical care nurse, we chose Holderness resident Judith Gooch—Pastor of the Plymouth Congregational Church. Welcome to our ranks, Rev. Gooch!

We also lost two other long-time members of the Fire Department in the last year: Earle Jenkins, who joined the HFD in 1959, and 30-year member Ben Baker who passed away in early '92.

In September of 1992 Ken Hawkins will be reaching an amazing milestone—60 years of service in the Holderness Fire Department! Ken is the last Charter Member of our Department still active and he served many years as our Treasurer.

We wish to thank the townspeople of Holderness for their continued support.

Respectfully submitted,

Tom Stepp, Clerk

Report of Town Forest Fire Warden and State Forest Ranger

During the mid-summer of 1991, conditions in N.H. were extremely dry. The fire danger index climbed to Class 4, which is the highest danger range, for several days. Holderness was very fortunate in being spared any forest fires this year. But on August 2 and 3 we sent 14 firefighters to assist at a very stubborn forest fire on Rte. 3 at the Campton/Thornton town line. The hot, dry conditions increased the wear and tear to personnel and equipment.

During this dry period we were forced to cancel all outdoor burning in the town. But 1991 was still a record year for the number of permits issued.

Warden	167	Deputy Warden	40	Town Clerk	128

We wish to thank the people of our town for their co-operation in obtaining the required permits and honoring our restrictions. The fact that we had no problems speaks well for this process.

Expenses for Forestry Equipment.....$1,000.00

Town of Holderness share for Red Hill Tower.....$1,000.00

We again thank the Town Offices and citizens of Holderness for their support and co-operation.

Respectfully submitted,

Richard E. Mardin
Forest Fire Warden

1991 Report of the Holderness Planning Board

In 1991 the Planning Board processed 8 subdivision applications. Of these applications 6 were approved and 2 were withdrawn. The approvals were 2 and 3 lot subdivisions and boundary line adjustments.

Other action taken by the board:

1. The board reviewed the Zoning Ordinance and input from concerned citizens and prepared six amendments to the ordinance. These amendments were presented at a public hearing held on January 16, 1992.
2. The Site Plan Review Regulations Town of Holderness was presented at a public hearing on May 9, 1991 and continued on May 23, 1991. During these hearings, the board reviewed all areas of the regulations and considered all comments and changes from the floor. The board adopted the regulations on May 23, 1991.
3. There were many preliminary discussions with prospective subdivision applicants this year. We feel that such discussions are very important since they save the applicant and the board valuable time in processing an application. It also saves the applicant filing fees when these discussions show that subdivision is not possible.
4. The Transportation Improvement Program (TIP) was reviewed and is in the process of being updated. The Road Surface Management System (RSMS) has been updated to include the new roads added to the town inventory and the roads that were expanded by the maintenance department.
5. Under the able leadership of Chairwoman Georgene Fabian, the Master Plan Committee has negotiated terms with the Lakes Region Planning Commission (LRPC) to prepare portions of the Master Plan and provide guidance in the areas that will be the planning board's responsibility. The Master Plan Committee provided a workshop on Master Plan Consideration by the LRPC representative. This workshop was well received by the townspeople and their participation was outstanding. Based on this workshop, the committee was able to break down the Community Facilities Chapter into nine parts which will be prepared by town's people. The planning board is gratefully indebted to these individuals for the fine work they are doing. Other chapters of the Master Plan are also being prepared by community members. Such a show of community spirit is commendable. All of the editing and typing of the Master Plan is being done by two volunteers. The planning board is extremely fortunate to have such a dedicated group to perform this community task.

Respectfully submitted,

Earl Hansen, Chairman

Annual Report of the Holderness Zoning Board of Adjustment 1991

The Zoning Board of Adjustment responded to 62 variance requests, 23 of which were denied and 35 of which were approved; 1 variance request was found to not apply and was not acted upon, 2 variance requests were not acted upon due to failure by the applicants to provide the Board with required information, and 1 variance was revoked for failure to comply with conditions imposed by the Board.

The Board acted upon 3 special exception requests, of which two were granted and one was withdrawn.

There were 3 motions for rehearing of the Board's decisions; all 3 were denied.

There was 1 appeal from an administrative decision filed; this appeal was granted.

The Board placed a total of 27 conditions on decisions which it rendered during the year, and it conducted 16 site reviews.

During the year, Board members attended courses conducted by the New Hampshire Municipal Association, as well as two in-house training meetings conducted by the Board. In addition, new members attended the course for newly appointed members of Boards of Adjustment, conducted by the New Hampshire Office of State Planning. Further, the Board revised and updated the fees charged, to reflect the increased cost of handling its cases.

Respectfully submitted,

Bruce W. LeVoy, Chairman
Holderness Zoning Board of Adjustment

1991 Report of the Compliance Officer

In June of 1991, the duties and responsibilities of the Health Officer and Zoning Officer were consolidated into one position known as Compliance Officer. Office hours are on Mondays and Wednesdays from 8:00 am until 12:00 noon at the Town Hall.

Two health related problems were handled. Numerous permits were issued as follows.:

Wells	8	Alterations/Repairs	32
Cottage	1	Docks	3
Residences	8	Relocations	1
Additions	9	Sheds	11
Driveways	4	Signs	5
Garages	5	Swimming Pools	2
Septic Systems	30	Culvert	1
Decks	8	Barns	2
Applications reviewed	149	Permits Issued	130

10 Building Permit Follow-ups

Richard E. Mardin
Compliance Officer

Annual Report of Holderness Conservation Commission

In the 1990 report I mentioned that the major project for the commission was the submission to the Trust for N.H. Lands a proposal to obtain matching funds to obtain two properties in Holderness. This project, ably headed by Commissioner Syd Howe, resulted in the town receiving a grant for $66,000. Papers transferring the two properties from their original owners to the town were signed by the selectmen and owners the week before Christmas, a real gift to all participants and to the town. The commission has now begun the planning process for the three properties under our control, the Town Forest, the Pilote property and the Morrell property, and as the 1992 year unfolds, we will be asking for input from town residents and officials.

The commision actively participated in the work that resulted in the designation of parts of the Pemigewasset River to the New Hampshire River Management and Protection Program. The Chair as alternate delegate and Susie Webster, selectman and delegate, represent the town on the National Park Service's study group that is considering the designation of the Pemigewasset River to be part of the Wild and Scenic River Program. We have also continued to work with local area residents, primarily Plymouth citizens, on developing a segment of the Heritage Trail, through the Plymouth-Holderness Region.

Although the commission does not have any short term plans for the purchase of additional properties in the Town of Holderness, they do believe that the town should be setting aside funds that could be used in the future to either purchase easements or property to protect natural or scenic features of the town. They therefore requested during the budgetary process a warrant article to establish a town Conservation Fund. The intent of this article is to build up a fund of $10,000 by setting aside $2,000 each year for a five year period. Approval for the expenditure of monies from this fund would be by vote of the town.

The commission continues to deal on a regular basis with items related to docks, wetlands permits, etc. We have worked with and will continue to work with the town group working on a new master plan. Ms. Jane Kellogg resigned as an alternate to the commission as she changed her main residence from Holderness to Campton. The commission thanks her for acting as liaison between the commission and the Central School. The commission also welcomes Mr. Scott Pulsifer as a new alternate and is looking forward to his active participation in our work.

The commission meets every third Thursday at 7 p.m. in the town hall conference room. Special meetings and field inspections are held in between regular meetings. All proceedings of the commission are open to the public and we welcome all comments, citizen input and offers of assistance.

1990 - 91 Outreach Report

Outreach is the field services arm of the Tri-County Community Action Program. The purpose of this program is to assist low-income, elderly and handicapped persons to solve individual problems and meet their needs through individual and/or group self-help efforts. Outreach Coordinators accomplish this purpose by providing information, referrals, guidance, organizational assistance, individual counseling and by effectively linking and utilizing community resources.

This program operates primarily during the spring and summer months. Last summer, the following numbers of people were served by the CAP Outreach Program in Holderness.

CATEGORY	TYPE OF ASSISTANCE	CLIENTS SERVED HSHLDS
Food	Emergency food supplies, Food Stamps, Government surplus foods, consumer education, food baskets, nutrition	93
Energy	Electrical disconnects, out-of-fuel, Weatherization woodstove, fuel wood, home repairs, furnaces	25
Homeless	Homeless or in imminent danger of being homeless	2
Housing	Emergency placements, furnishings, loans, home improvements, tenant/landlord relations, relocations	3
Budget Counseling	Money management, debt management, financial planning	2
Health	Medicare, Medicaid, Mental Health, Home Health	9
Income	Job Corp, employment referrals, job training, welfare referral	4
Transportation	Emergency rides, car pools	0
Legal Asst.	Information and referral to Legal Aid	0
Other	Miscellaneous	5
	TOTALS	143

Does not include Fuel Assistance

Because of your support and that of other surrounding towns, we were able to keep our Holderness Outreach Office open last summer. As a result, we were also able to leverage the following funds and/or provide the following services or products to the low-income people of your area:

	Funds or Products Provided	
	Hshlds	Ind. $ Amt.
FEMA (Emergency food and shelter)	3	10,000.
USDA (Food products distributed-retail value)	80	7,000.
Emergency Food Pantry Assistance	43	4,200.
Homeless - Emergency / Food and/or Shelter	17	7,040.
Volunteer Hours @ 4.25/Hour		850
OUTREACH TOTAL	143	29,090.

Pemigewasset River Wild and Scenic Study Committee 1991 Report

The Pemigewasset River Wild and Scenic Study Committee convened its first meeting in October, 1991. The committee consists of representatives from the seven towns included in the study: New Hampton, Bridgewater, Ashland, Holderness, Plymouth, Campton and Thornton. The committee also includes representatives from groups interested in management of the river, including landowners, conservation and recreation groups, business and tourism interests, farmers, sportsmen, the state of New Hampshire and Plymouth State College. Over the next year and a half, the committee will work jointly with the National Park Service in conducting a study of the river to:

1. evaluate current protection of river-related resources and identify any vulnerabilities in light of expected future development;
2. identify local opinions regarding river conservation and management, including a survey of riverside landowners;
3. make recommendations for improving resource protection through local, private, or state actions, and assist in implementing these recommendations; and
4. evaluate community attitudes regarding possible designation of the Pemigewasset as a component of the National Wild and Scenic River System.

By August of 1993, the National Park Service must make a recommendation to Congress concerning whether or not the Pemigewasset River ought to be added to the list of rivers receiving federal protection through inclusion in the National Wild and Scenic River System. A wild and scenic designation would afford protection to the river from any federally assisted water resource projects that would harm the river's free-flowing character or special resources.

The committee meets monthly.

Pemigewasset River Study Committee
Town Representative: Susan Webster

Holderness Park Board 1991 Report

The time has come again to write the annual town beach report. With temperatures outside at about 0° with the wind chill factor, I'm looking forward to another long summer.

We started off the summer with the annual beach clean up in June, with the help of local people and the Holderness Boy Scouts.

Beach stickers will be used again this year and can be purchased only at the town clerk's office. You may purchase your ticket now just to be sure you'll have it when the beach opens.

This year you will see a children's slide added to our playground area at the beach. The slide was donated to us by Rockywold Deep Haven Camps. Special thanks for their donation.

Three new people have been added to the Holderness Park Board, David Dupuis, Fran Taylor, and Toni Sweedler. Along with them come lots of new ideas. Also new to the beach last summer were Ellen Greene and her daughter Jennifer who were our beach attendants. Both of them did an excellent job taking care of our beautiful beach and checking for beach stickers. Thank you for a job well done.

Things are looking pretty ship shape at the beach this year, with only a few minor repairs to be completed on our raft and dressing room stairs.

Looking forward to warmer weather. See you at the beach!

Respectfully submitted,
Susan Lafreniere

Report of the Inter-Lakes Day Care Center and Nursery School

The Fall of 1991 brought Inter-Lakes Day Care Center, Inc. to their 20th Anniversary of our incorporation. Over the years our Center has benefited from the essential support of the community on an individual basis and through separate service organizations. The interaction between the Center and the School system has been mutually productive. In addition, the other resources available to our Town including the Library, Fire and Police Departments, and Parks and Recreation provided enrichment, understanding and appreciation for a generation of children initiating them into community citizenship.

During 1991 the Center served 156 children from 121 families. Our School Age Program moved its After School activities to Inter-Lakes Elementary School for the convenience of parents and children. The number of family day care providers sponsored for USDA reimbursement for meals and snacks increased to 32 homes. The Board of Directors and Staff welcome area residents at 36 Lang Street in Meredith.

Report of the Holderness Free Library

The trustees of the Holderness Free Library thank the librarians, volunteers, and friends of the library for their regular help and for their special help in two major projects during 1991.

The new computer is on line with state wide library system: N.H.A.I.S. The librarians can now check to see if a book that is not included in our collection, can be found in any of the other libraries in our region, with a computer search while you wait. If found, the book can be ordered through interlibrary loan.

The basement of the library has a new suspended ceiling, allowing easy access to new, safer electrical wiring. This project has been completed, leaving some reorganizing of books and materials to finish, but the change in the atmosphere of the basement is dramatic.

The Trustees continue to improve the physical aspects of the library building, while enhancing our collection of books, videos, newspapers and magazines for the education and entertainment of Holderness residents and visitors.

Report of the Librarian

STATISTICS:	1990	1991

Games, etc.	95	100
Periodicals	37	40
TOTALS:	10,692	13,012

*Inventory done this year; last year's figure may be inaccurate.

LIBRARY HOURS:

Mondays, Wednesdays and Saturdays 10am to 6pm.
Summer only: same as above plus Fridays 2 - 8pm.

ACTIVITIES:

Mary DeLashmit continues as Librarian, and Jane Blaine as Assistant Librarian. Our successful Summer Story Hours continued, ably led by Ann Levin.

We had an extremely successful Summer Reading Program this year. The older kids program "Some Enchanted Reading" was part of a statewide program, and a lot of fun for our "Pages", "Squires", and "Knights"! The younger kids had the same Reading Rainbow program that has been so popular in previous years.

Our annual Christmas Crafts Day was again a success — thanks to our active Friends of the Library group, lead this year by Sue Page. They have also been a great help with other library endeavors, notably our NEW COMPUTER, donated anonymously thru our Friends group.

We are now ON-LINE into the statewide interlibrary loan system, which has markedly improved our ability and speed on getting books for our patrons.

We have also expanded our video and audio books collections this year. (We do NOT carry movies, only educational and children's videos.) Both collections are very popular.

All in all a very busy and fruitful year!

Mary DeLashmit
Librarian

1991 Report of the Pemi-Baker Home Health Agency

The Pemi-Baker Home Health Agency serves 10 member towns as a nonprofit, New Hampshire licensed and Medicare certified Agency. Its staff of 30 continues to provide expanded home care services to people who choose to be at home at the time of illness or injury. The total number of visits made in Holderness in 1991 was 1189 - an increase of 30% over 1990 - in the following categories:

Skilled nursing	297	Home Health Aide	621
Physical Therapy	27	Homemaker	244

Additional services provided to the community are:

Speech Therapy	Parent Support Group
I.V. Therapy	Equipment Loan Closet
Companion Referral	Car Safety Program
"Helping Hands"	Free Immunization Clinics
Newborn Visits	Free Blood Pressure Clinics
Hospice	Diabetic Screening Clinics
Parent Aide Program	Occupational Therapy
Respiratory Therapy	Office Blood Pressure Checks

Grant funding has enabled the Pemi-Baker to start 2 new programs - a Parent Support Group and an in-home Parent Aide Program. Both teach parenting skills, provide respite care for children and assist in communication with other community service agencies.

The Pemi-Baker sponsors the Plymouth Area Ad-hoc Committee on Youth at Risk which brings together social, town and state agencies concerned with youth at risk issues and services available to this community. The Committee sponsored 18 workshops on youth and family topics last August at an inservice for 400 teachers and administrators of SAU #48 and #4.

The Board of Directors of the PBHHA is made up of 2 members from each town in the community. The Holderness Alternate Representative is Joan Lovett.

Home health care plays an increasingly important role in the health services of this community. The PBHHA remains dedicated to providing such services to all members, regardless of ability to pay. The 1992 assessment for support of this Agency is $4.24 per capita, an increase of 5% over last year.

Agency Staff is happy to discuss their services. Call them at 536-2232. Your Representative will also gladly answer questions about the Agency.

Respectfully submitted,
Lillian E. Plasse
Holderness Representative
Pemi-Baker Home Health Agency

Task Force Against Domestic And Sexual Violence

The Task Force Against Domestic and Sexual Violence, formerly Plymouth Area Crisis Services, is a non-profit volunteer organization, which provides assistance to adult victims of domestic and sexual violence. The Task Force, a member group of the New Hampshire Coalition Against Domestic and Sexual Violence, serves 18 towns: Alexandria, Ashland, Bridgewater, Bristol, Campton, Dorchester, Ellsworth, Groton, Hebron, Holderness, Lincoln, Plymouth, Rumney, Thornton, Waterville Valley, Warren, Wentworth, and North Woodstock. It is the only organization of its kind in southeastern Grafton County.

Since its inception in 1981, the organization has maintained a 24-hour crisis line, staffed by 25 volunteers who provide legal advocacy, emergency shelter, transportation, food, emotional support services, and referrals to its clients. Organization members also coordinate and conduct community outreach programs.

Providing support services to the volunteers are the three staff members: Resources Director, Administrative Director and Support Services Director. All three are supervised by the seven-member Board of Directors.

In the past nine years, Task Force members have answered over 1,900 calls from all the towns it services. Many of these calls have been referred to us by the local police departments, the court, physicians, counselors and therapists. District Court Judge Edwin Kelly is a long-time organization supporter.

Except for a moderate fee for those shelter residents who can afford it, all services are free to all victims of sexual or domestic violence in the towns the Task Force serves. Volunteers and staff adhere strictly to NH law (RSA 173-B:21), which requires that they maintain confidentiality with regard to persons served by them and files kept by the organization. Also, as required by law (RSA 173-C Privilege Bill), all information received by a volunteer or staff member in the course of a relationship with a victim is confidential. This law allows the Task Force to keep its location from being made public.

Serving women and children in the Plymouth area

Grafton County Commissioners' 1991 Report

In a continuing effort to communicate more directly with Grafton County citizens, we take great pleasure in submitting the following report for your information.

During the past year, the County Nursing Home has continued to provide excellent care for approximately 120 elderly and infirm residents while complying with the increased demands of new federal regulations. In November we opened a unit designed to meet the needs of patients with Alzheimer's disease and similar afflictions, which has been very well received by residents, families, and staff.

Inmates in the House of Corrections have benefited from the Thresholds/Decision-making program, taught by volunteers who help their clients prepare for more productive lives in jail and on the outside. A grant from the Attorney General's Office has also provided us with a substance abuse counselor for the jail.

New projects were also initiated at the County Farm. The piggery was reinstituted (20 piglets were born to 3 sows in October), and a lilac nursery was added through the State Lilac Commission (lilacs will be ready for distribution to public agencies in the spring). The farm also planted extra potatoes for contribution to local food pantries throughout the county, a project we plan to continue in future years.

Since September the Commissioners have worked with the Sheriff, Assistant Sheriff and members of the County Legislative Delegation to review the County Dispatch Center and revise the fees charged for telephone answering and radio dispatching services. Discounts were eliminated for 1992 and fees based on actual use are planned beginning in 1993. Copies of the Study Committee's report are available at the Commissioners' Office.

For the second year in a row we were able to reduce county taxes while maintaining necessary county services. The Commissioners intend to continue to hold the line on expenses, but do expect a modest tax increase next year due to the elimination of surpluses generated by unanticipated increases in nursing home revenues.

This past year the County distributed over $78,000 in state Incentive Funds to local agencies to prevent out-of-home placements of troubled children and youth. The County also provides a Youth and Family Mediation Program available free of charge in the Lebanon, Littleton, and Plymouth areas.

The Board of Commissioners has made great strides in expanding efforts to inform our constituents about county government. Tours of county facilities, a mock trial for school children, and an open house took place during County Government Week in April, and plans are underway for an even broader program for the coming year (April 5-11). We held a special information session for local officials in September,

have spoken to school and civic groups, and developed a slide presentation to show people what the county does.

In closing, we wish to express our sincere appreciation to local officials and agencies and the citizens for continued interest and cooperation in our efforts to serve you. The public is invited to attend our regular meetings at 9:15 a.m. on Thursdays at the County Administration Building in North Haverhill. The Commissioners also welcome the opportunity to speak or show our slides to students and civic groups. Please call our office at 787-6941 for further information or to request a speaker.

Minutes of Holderness School District Meeting

March 19, 1991

The annual meeting of the Holderness School District was called to order at 7:02 P.M. by Moderator Tink Taylor. Holderness Brownie Troop #359 presented the colors and led us in the Pledge of Allegiance. The Moderator read the rules of the meeting and recognized Kathy Whittemore for an announcement concerning HCS fundraising. Sam Laverack was introduced as the newly elected school board member.

Bill Webb moved and Ross Deachman seconded to waive reading the warrant in its entirety. The vote was in the affirmative.

The following business was transacted.

ARTICLE 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

Peter Francesco moved, Deborah Holland seconded. The vote to accept all reports was in the affirmative.

ARTICLE 2: To see whether the District will vote to indemnify, and save harmless from loss or damage any person employed by the school district and any member or officer of its governing board or administrative staff from personal financial loss and expense, including reasonable legal fees and costs, if any, arising out of any claim, demand, suit, or judgement by reason of accidental damage to or destruction of property if the indemnified person was acting in the scope of his employment or office, in accordance with the provisions of RSA 21:105.

Bruce Leonard moved, Ronald Huntoon seconded. The vote was in the affirmative.

ARTICLE 3: To see if the district will vote to authorize the School Board under RSA 198:20-b to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

Ross Deachman moved, Toni Sweedler seconded. The vote was in the affirmative.

ARTICLE 4: To see if the District will vote to increase the membership of the

Holderness School Board from three members to five members. (By petition)

Discussion followed with various persons presenting arguments both in favor of and opposed to the Article.

Dave Woodbury moved and it was duly seconded to cut off all debate and passed by the necessary two-thirds majority vote.

A vote on the article was taken and passed.

ARTICLE 5: To see what sum the District will vote to help support with other school districts a court challenge to the constitutionality of New Hampshire's method of funding public education through near total reliance on local property taxes.

Peter Francesco moved the sum of $1500 and Martha Richards seconded.

Discussion followed regarding concerns about the court challenge, appropriation of funds from other towns and how the money will be used by the Claremont School District.

Scott Grey moved and it was seconded by Dave Woodbury to amend the dollar amount to $0 but send a letter of support to the town of Claremont.

The vote on this amendment failed.

A vote on Article 5 for the sum of $1500 was then taken and passed.

ARTICLE 6: To see if the District will vote to raise and appropriate the sum of seventy-nine thousand five hundred ninety-six dollars ($79,596) as a deficit appropriation representing over expenditures in special education in fiscal year 1989-1990.

Bruce Leonard moved, Toni Sweedler seconded.

Paul Dulac, under unanimous consent explained that unanticipated expenditures of last year for special education students were responsible for the need for this sum.

John Glidden moved, Susan Francesco seconded to cut off all debate. It passed by the necessary two-thirds majority vote.

Article 6 was voted on and passed.

ARTICLE 7: To see if the District will vote to establish a capital reserve fund in accord with RSA 35:1 for the purpose of meeting the expense of educating educationally

handicapped children; and to see if the District will vote to appropriate the sum of sixteen thousand ($16,000) to be deposited to said Capital Reserve Fund.

Toni Sweedler moved, Linda Manita seconded.

Members of the School Committee and Budget Committee explained that this article must be voted in to avoid freezing the budget should deficit spending occur as in the case of Article 6.

It was moved and duly seconded to cut off debate, it passed by the necessary two-thirds vote.

The vote on Article 7 was taken and the Chair being in doubt, a division was called. The article then passed by a vote of 72 in favor, 40 opposed.

ARTICLE 8: To see if the District will vote to raise and appropriate the sum of twenty thousand dollars ($20,000) for the purchase of computers for the computer lab.

Bob Tremblay explained the present situation as to available computers, ratio of students to computers and students needs. Discussion and questions followed.

Deborah Holland moved to amend the dollar amount to $10,000 and it was seconded by Peg Winton.

Fran Taylor moved and it was duly seconded to cut off all debate. It was passed by the necessary two-thirds majority vote.

A vote on the amendment was taken and as the Chair was in doubt, a divison was called. The amendment was defeated by a vote of 77 to 42.

A vote on the main question was taken and passed.

ARTICLE 9: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District.

Bruce Leonard moved, Patti Biederman seconded that the District vote to raise and appropriate $1,924,726 for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations of the District which includes monies raised under Articles 6, 7 and 8.

After brief discussion the Chair called a 5 minute recess for the budget committee and school board to review the figure. Following the recess Martha Richards moved

and it was seconded to amend the proposed dollar amount with an additional $1500 for the Rural Arts and Artists-in-Residence Program.

The petition for a secret ballot on all votes on Article 9 or any amendment was withdrawn.

The vote was taken on the amendment and passed.

Bill Webb moved, Peg Winton seconded to reduce the proposed budget by $64,778. Bill followed this motion with a presentation of savings that could be made.

Ross Deachman moved, Linda Manita seconded to cut off all debate. It passed by the necessary two-thirds majority vote.

A vote by secret ballot on the amendment to reduce the budget figure by $64,778 was taken and failed by a count of 71 to 48.

Linda Manita moved and it was seconded by Martha Richards to cut off all debate. The vote was passed by the necessary two-thirds majority.

The petition for secret ballot on Article 9 was withdrawn by the petitioners.

The vote on the main question as amended was passed unanimously.

ARTICLE 10: To transact any further business which may legally come before the meeting.

Toni Sweedler presented a plaque to outgoing School Board member Bruce Leonard in appreciation for his many years of service.

It was moved and seconded to adjourn the meeting. The meeting was adjourned at 10:15 P.M.

Respectfully submitted,
Nancy Ruhm
School District Clerk

School District Warrant

The State of New Hampshire

To the inhabitants of the School District in the Town of Holderness in the County of Grafton, State of New Hampshire, qualified to vote in District Affairs:

You are hereby notified to meet at the Holderness Central School in said District on the eighteenth day of March, 1992, at 7:00 o'clock in the evening to act upon the following subjects:

ARTICLE 1: To see what action the District will take relative to the reports of agents, auditors, committees or officers.

ARTICLE 2: To see if the District will vote to authorize the School Board under RSA 198:20-b to apply for, accept and expend, without further action of the School District meeting, money from any source which becomes available during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

ARTICLE 3: To see if the District will vote to raise and to appropriate the sum of sixteen thousand dollars ($16,000) to be added to the Capital Reserve Fund previously established to meet the expense of educating educationally handicapped children.

ARTICLE 4: To see if the District will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for funds to construct additional classrooms and to raise and appropriate the sum of twenty thousand dollars ($20,000) toward this purpose.

ARTICLE 5: To see if the District will vote to raise and appropriate the sum of sixteen thousand dollars ($16,000) for the educating of educationally handicapped children and to authorize the withdrawal of sixteen thousand dollars ($16,000) from the Capital Reserve Fund created for that purpose.

ARTICLE 6: To see if the School District will vote to raise and appropriate the sum of $1,500.00 for the purpose of continuing the rural arts and artist-in-residence programs. (By Petition)

ARTICLE 7: To see if the School District will vote to raise and appropriate the sum of twenty thousand one hundred sixty-one dollars ($20,161.00) to increase our music program from a half-time program to a full-time program. (By Petition)

ARTICLE 8: To see if the District will vote to raise and appropriate the sum of

seven thousand nine hundred dollars ($7,900.00) for the completion of athletic fields at Holderness Central School. (By Petition)

ARTICLE 9: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of school district officials, employees and agents and for the payment of statutory obligations to the District.

ARTICLE 10: To transact any further business which may legally come before the meeting.

Given under our hands this 18th day of February in the year of our Lord nineteen hundred and ninety-two.

Explanation of Superintendent's and Assistant Superintendent's Salary for 1990-1991

Chapter 189, Section 48 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amounts paid to the Superintendent of Schools as per the following quotation: "Reports. Each Superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same . . . Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator, if any is in service in the Unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is prorated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of $62,878 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1990-1991 was prorated among the school districts comprising the School Administrative Unit. Allowance for $2,750 travel within the Unit was also prorated as stated above.

The salary of $101,965 for the Assistant Superintendents during 1990-1991 and travel allowance within the Unit for $4,000 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

District	Adjusted Percent	Supt. Salary	Supt. Travel	Asst. Supt. Salary	Asst. Supt. Travel
Campton	15.78	9,922.15	433.95	16,090.08	631.20
Ellsworth	.29	182.35	7.98	295.70	11.60

Wentworth	3.11	1,955.50	85.53	3,171.10	124.40

Holderness Central School
Principal's Annual Report
1991-92

Holderness Central School has undergone many changes over the past year.

We have made several programming and staff adjustments in the middle school. With the purchase of the IBM computer lab we have been able to offer formal computer instruction to grades 5-8 and the lab remains available for lower grade use under the direction of the classroom teachers. We have also added an in-house algebra program. In years past, HCS has sent one or two students to the high school, but this year, 10 students qualified for Algebra, making it more cost effective to run our own program. This is an accomplishment that everyone - community, staff and students - can be proud of.

In last year's report, I pointed out that one of the problems that HCS was facing was how to improve the playgrounds and athletic fields. This need has been, and is continuing to be addressed by a very impressive show of community support and action. There have been several projects undertaken such as improving and maintaining the skating rink, increasing the parking area, and the athletic field construction, all by volunteer actions. Let me take this opportunity to say thank you for all you have done. These all make a big difference to our school.

We have also had to make some difficult decisions over the past year. Cutting the music program in half has been costly to the quality of our band program, however the quality of music instruction has been maintained. We also faced the need to move the library out of its central location to make way for a classroom and relocated it in a much more cramped area off the gym. The transition program was also suspended after the 90/91 school year.

Many of the changes that I have mentioned reflect the life of a school, growing, developing, and constantly changing. This process is never easy, but in Holderness this process is met as a challenge. The fact that this challenge has been faced and overcome is directly attributed to the community support and pride in Holderness Central School and the high caliber of the staff who give their best each day to provide the quality educational environment that Holderness Central School is known for.

Holderness Central School
School Nurse's Annual Report
1991-92

The following is a report on the health program provided by the school nurse. In this program a variety of tasks are performed to provide an environment that is conducive to maintaining the general health of all students. This is accomplished by early identification of health problems, health education and with the use of first aid.

Meetings with community-health groups, upper team teachers, and special education have helped broaden the school nurse's role and facilitate the learning process.

A health fair was held for all HCS students on January 22, 1991 for School Health Awareness Week. Informational health materials, books and blood pressures were offered on students, teachers, and staff members.

On April 10, 1991, a pre-school vision and hearing clinic was held for all 4-6 year olds at the Plymouth Regional High School which is sponsored by the State Bureau of Maternal and Child Health, and the Lion's Club. There were 9 referrals requiring hearing re-tests which were done in the HCS nurse's office.

Pre-school Screening for 25 incoming kindergarten students was held on May 22nd and May 24th, 1991.

Health physicals were conducted on 55 students in grades 5 and 7 and on 2 new students in grades 6 and 8 on September 20, 1991 and October 16, 1991.

Dental assistance was given to 2 students.

The Lion's Club provided vision examinations for 2 students.

HCS Health Fund gave assistance to 1 student.

As of August 1, 1991, the State Department of Health and Human Services has required that all students entering 7th grade have a second dose of the measle vaccine. All 7th grade students have been in compliance with this new immunization requirement.

Nurse's work with referrals as needs:

Vision tests	235
Hearing Tests	250

Head checks	600+/–
Color-blind tests	24
Heights & weights	231
Blood pressures	110
Scoliosis checks	110
Medications	998
Communicable diseases	17 cases chicken pox
	33 cases strep throat

At the beginning of the school year, health education was given to the faculty, staff and aides on HIV/AIDS, along with how to do "universal precautions", which are now in place at HCS. On January 20, 1992 a HCS PTA program was presented to the community, **HIV/AIDS: The Challenge Facing Our Schools, Children, and Community.**

Once again, appreciation is expressed to all school personnel, parents, and volunteers for their cooperation and support.

Sincerely,
Linda Cowan, R.N., B.S.N.E.
School Nurse

Superintendent's Report for 1992

Our SAU #48 students continue to grow. Our school districts can be measured in terms of student achievement, staff training and involvement, administrative creativity and innovation, parent caring and sharing the load and community support. This is the third year in a row that I write my superintendent's report and have to comment on our troubled economy and tight financial times. The school boards have therefore decided to embark on a program of participatory democracy in all of our school districts. They have chosen to offer the public more opportunities to discuss both economic and instructional concerns. I congratulate the school boards and commend them for the amount of time and effort they have put in to this plan both this year and last.

A major goal for the SAU for the 1991-1992 academic year centers around the development of curriculum especially in the areas of K-8 science and K-12 Language arts. By the way SAU #48 is one of the few districts in the state of New Hampshire who have developed a K-12 language arts curriculum. This is a substantial effort on the part of school and community members and one which deserves the congratulations of all.

Another goal of the SAU is to continue to coordinate instructional programs especially at the elementary level considering all of our elementary students will be entering the same ninth grade at Plymouth Regional High School. We have decided that providing consistent instruction for all elementary students will continue to be one of our most important goals. The SAU continues to emphasize science instruction, Writing Across the Curriculum, and is engaged in new efforts to improve the reading and language arts skills of our students.

Program innovations started this year in SAU #48 include the initiation of double period science labs in the high school. This provides experimental time relative to the sciences. We continue to strongly emphasize an experimental science approach in our middle schools and at the primary levels of elementary school.

Another program innovation involves the SAU being selected as a "Math their Way" training site for this year which emphasizes a "hands on" approach to math instruction at the primary level.

This year marks the first year that the Drivers education at the High School is operated under a fee for service basis. The program is going very well. All staff in the SAU continue training programs under the umbrella of the "Skillful Teacher Program" which will pay tremendous dividends to our students in the future.

We have chosen this year to focus on middle school innovations throughout the SAU. We have taken every opportunity to try and bring our middle school students throughout the SAU together so that they may build relationships and self-esteem and also broaden their horizons from a local school respective to the SAU as a whole. The Pemi Baker Basketball League offered a championship this year bringing all schools together for both boys and girls which was immensely successful. This year marked our first ever SAU wide Middle School mock Presidential Primary and Election. This program has allowed our students the opportunity to learn the political process and much more. The Cultural Arts music program offered in the spring brings all of our music and art talent in the elementary and high school together under one roof, which promises once again to be successful. All of these efforts to bring our middle school students together costs little and has a tremendous impact on both our students academic achievement and self-esteem.

New administrators have come into the district this year with great enthusiasm and energy and have provided a new focus. Maureen O'Hara is our new principal at the Russell School in Rumney. Maureen comes to the Russell School with a focus on reading, computer skills and Special Education. Bruce Parsons, the new principal at the Wentworth Elementary School comes to us from Revere, Massachusetts, with great enthusiasm and a focus on self-esteem for our students. The high school welcomes Dana McKenney as interim prinicpal and Walter Garland as interim assistant principal while the search for a new high school principal continues. Maria Dreyer has come to us from another school district in New Hampshire as a Special Education director at the high school. Maria's presence has already created a new era for Special Education at the high school. We welcome her expertise and enthusiasm.

The SAU office welcomes Eilene Woolfenden, our Chapter One director. Eilene is replacing Sandy Tilton who is on a one year leave of absence while she completes a Masters program at Ohio State emphasizing "Reading Recovery". All of the above administrators have added significantly to our SAU program and I wish to thank them all for their efforts.

Working with and for you and your children over the past five years has been both a pleasure and a challenge. I believe as superintendent it is my job to help bring the resources of the community together to offer the best educational program for our students. In these tough economic times I am thankful to you all for offering the school system your ideas, support, time, effort and guidance which has allowed us all to continue growing.

Respectfully submitted,
G. Paul Dulac, Ed.D.
Superintendent of Schools.

Independent Auditor's Report

To the School Board
Holderness School District
Holderness, New Hampshire

We have audited the accompanying general purpose financial statements of the Holderness School District, Holderness, New Hampshire, as of June 30, 1991, and for the year then ended, as listed in the table of contents. These general purposed financial statements are the responsibility of the Holderness School District, Holderness, New Hampshire's, management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purposed financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except for the matter described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Holderness School District, Holderness, New Hampshire, as of June 30, 1991, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedules listed in the table of contents are presented for the purposes of additional analysis and are not a required part of the general purpose financial statements of the Holderness School District, Holderness, New Hampshire. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

Grzelak and Company, P.C.
Laconia, New Hampshire
October 11, 1991

A copy of the Audit of the 1990-1991 School District financial transaction may be reviewed at the Superintendent of Schools' Office.

School District Warrant

The State of New Hampshire

To the inhabitants of the Pemi-Baker Regional School District in the towns of Ashland, Campton, Holderness, Plymouth, Rumney, Thornton, and Wentworth, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Plymouth Regional High School Gymnasium on Tuesday, the third day of March, 1992 at 7:00 o'clock in the evening to act upon the following subjects:

ARTICLE 1: To see what action the District will take relative to the reports of agents, auditors, committees and officers.

ARTICLE 2: To see if the District will vote to raise and appropriate twelve thousand dollars ($12,000) as a supplemental appropriation to purchase 2.42 acres of land identified on Plymouth Tax Map Lot 20-1-2 as the Charles and Anna Everitt property. A copy of the plan of said property is available for inspection at the office of the Superintendent of Schools.

ARTICLE 3: To see if the District will vote to authorize the School Board to negotiate and execute such tuition contracts as the Board may determine advisable for students outside the Pemi-Baker Regional School District.

ARTICLE 4: To see if the District will vote to authorize the School Board under RSA 198:20-b to apply for, accept and expend, without further action of the School District Meeting, money which becomes available from any source during the fiscal year provided that such expenditures be made for purposes for which a school district may appropriate money and that such expenditures not require the spending of other school district funds.

ARTICLE 5: To see if District will vote to establish a contingency fund in accordance with RSA 198:4-b, such contingency fund to meet the cost of unanticipated expenses that may arise during the year and, further, to see if the District will raise and appropriate the sum of twelve thousand dollars ($12,000) for the 1992-1993 contingency fund.

ARTICLE 6: To see if the District will vote to raise and appropriate the sum of seventeen thousand five hundred dollars ($17,500) to be added to the Capital Reserve Fund previously established for the education of educationally handicapped children.

ARTICLE 7: To see if the District will vote to raise and appropriate the sum of

eight thousand dollars ($8,000) to be added to the Capital Reserve Fund previously established for the purpose of future renovations and or repairs needed in the school.

ARTICLE 8: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District officials, employees and agents and for the payment of statutory obligations of the District and to authorize against such appropriation the application of revenues as are estimated to be received; the School Board to certify to the Selectmen of the member towns the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the member towns.

ARTICLE 9: To see if the District will vote to name the Trustees of the Trust Fund of the Town of Holderness to be custodian of the Pemi-Baker Regional School Board's Capital Reserve Fund for the educating of educationally handicapped children and the Pemi-Baker Regional School Board's Capital Reserve Fund for the future renovations and/or repairs needed in the school.

ARTICLE 10: To transact any further business that may legally come before this meeting.

Given under our hands this 17th day of February in the year of our Lord nineteen hundred and ninety-two.

Plymouth Regional High School Principal's Annual Report 1991

In 1991, Plymouth Regional High School graduated its first senior class representing the communities of Ashland, Campton, Holderness, Plymouth, Rumney, Thornton, and Wentworth; with tuition from students from Waterville Valley and Ellsworth.

The transition from Plymouth AREA High School to Plymouth Regional High School took place with a minimum of disruption for students and staff alike.

Enrollment at Plymouth Regional High School as of October 1, 1991 was 564. The average daily attendance for the school year 1990-91 was 93.2%. Enrollment in the Region #5 Vocational Center was 170 students. The class of 1991 sent 53% of its graduating seniors to further education with 41% going to four year programs and 12% enrolled in two year programs. Our seniors were awarded a total of 65 scholarships to help them with their further education.

Donald Bevelander, Principal at Plymouth Regional High School resigned as of July 1, 1991 to accept the principalship of Natick High School in Massachusetts. Dana McKenney, then Assistant Principal, was appointed as Interim Principal and a national search for a new principal was initiated. Walter Garland, a teacher in the science department, was appointed as Interim Assistant Principal. The search failed to come up with a new principal and the interim administration was continued until the end of the 1991-92 school year while a new search was undertaken.

Under the direction of the Pemi-Baker School Board, a number of changes have taken place in policies and programs. The old discipline system based on demerits has been replaced by a new system based on a discipline cycle. An in-school suspension room was also developed and staffed as an integral part of the new system.

The Pemi-Baker School Board also approved and put into effect a new dress code.

Both teachers and administration have continued to take part in a series of courses and follow-up workshops offered by Research for Better Teaching.

In the science department, two double lab periods were added to College Biology, Chemistry, Physics, Advanced Biology and Environmental Science classes.

Vocational Education: In the fall, vocational enrollments reached a ten-year high after falling off for three years. This popularity of vocational education is due somewhat to the hard economic times, but more so to the renewal effort on the part of the faculty and staff.

The Plymouth Regional Pre-School opened and grew to full enrollment with enthusiastic public support. Mrs. Hathaway, Pre-School teacher, and Mrs. Garland's Child

Care Program students provide youngsters, 3-5 years old, with a meaningful introduction to learning and the school experience.

We are proud of all of our students at Plymouth Regional High School and especially proud of those who receive special recognition for their accomplishments:

—One of our 1991 graduates was recognized as a National Merit Scholarship Recipient.
—Two of our students received nominations to the Military Academies.
—One of our students received two appointments to Military Academies.
—Three students participated in the St. Paul's Advanced Studies Program.
—One of our students was a national finalist in the Johnson & Wales cook-off, winner of $5,000 scholarship.
—Another student, a Child Care and Home Economics student, placed first in the "Interview" competition at the state level as a Future Homemakers of American/Home Economics Related Occupations Club Member.
—One of our students placed third at the January 1991-92 Regional High School Art Exhibit.
—Our students took second place at the State Drama Festival.
—The wrestling team won the New England Wrestling Championship
—Five of our band and eight choral students were selected to take part in the Lakes Region Music Festival and choral students were selected to take part in the All State Music Festival.
—Peer Educators from P.R.H.S. have been recognized throughout the state for their contribution to HIV/AIDS education.

Our priorities for next year include:

—Continuing to prepare for the NEASC visit in October in 1992.
—Complete the training of all of our faculty members as part of the Effective Teacher Program initiative.
—Continue to revise and upgrade our curriculum, particularly in the areas of math and science to meet the needs of a changing society.
—To implement a totally revised series of Technology Education courses to replace Industrial Arts in the 1992-93 curriculum.
—To develop, in cooperation with the central office staff and the school board, a five year plan for the overall improvement of instruction at Plymouth Regional High School.

I would like to thank all of the people in the Pemi-Baker School District for their continued support for the education of all of our children.

Respectfully submitted,
Dana J. McKenney
Interim Principal

Annual Report Health Services
Plymouth Regional High School

The Plymouth Regional High School Health Services office continues to be a busy place, providing health related assistance to some 600 students and 100 staff members. This year is showing an increase in assistance provided, due mainly to prolonged bouts with flus and colds. Several students received help from local community services for specific medical needs. These included glasses from the Lion's Club and dental care from the Lindsey fund. Also, a new fund was started with the help of Bayard Hancock and community churches to help students with medications. The continued economic decline in New Hampshire, coupled with an increasing number of independent students, has stimulated the community to extend a helping hand. We extend a deep appreciation for these community efforts.

The AIDS issue is serious, even for New Hampshire. To coordinate efforts to prepare for this issue at the school level, SAU #48 school nurses have been meeting monthly to update and develop policies in regards to AIDS and other health issues. Classes were given to all staff and faculty members to acquaint them with policies and procedures.

This year the high school physical education department participated in statewide screening for "Physical Best Fitness Program" to compare fitness with other students in the state. The health services helped with part of the screening of 300 students for height, weight, and skin fold measurements. Results of this program will be back later this spring.

An increasing number of multi-handicapped students requiring direct nursing care are being mainstreamed into the educational setting. Medical problems are being addressed with workable health care plans for each individual student's needs.

Plymouth Regional High School is continuing to make adjustments for the timing of sports physicals for interscholastic athletics. We are working with the Pemi-Baker School Board to make this sport physical requirement as accommodating as possible. Approximately 350 students received physicals or update screening for sports this year.

The medical field continues to grow and expand every year. To provide the best services possible, it is necessary that I attend continuing education classes or seminars. I attended updates on Children with Cancer, AIDS workshop, and Psychotropic Medication. My continuing part-time work at the hospital contributes to my staying current in the medical fields. I continue to be a member of the Attendance Committee, CORE Committee, and a team teacher for a senior health seminar.

Approximately 9500 students have been provided health services this year. Some 130 students were screened for height, weight, blood pressure, vision and hearing.

Parent contact remains an important part of nursing/student relationship. Please feel free to call me at 536-1444 anytime you have a question or concern.

Respectfully,
Jean Murphy, R.N.
